

EXPERIENCE

May 2006 – Present

Indepth Graphics

Lead Designer

I've created work for many clients including businesses, not-for-profits, schools and municipalities. I've developed a wide range of projects such as annual reports, branding, web sites, newsletters and promotional products. As the Lead Designer I have taken on increased responsibility for client management, budgets and project goals.

December 2000 – May 2006

The Woodstock Independent

Graphic Designer

I designed everything from newspaper advertisements to layout and special sections. My responsibilities also included photographic color consistency throughout the newspaper. I worked directly with customers to create ads that exceeded clients' expectations.
